Mission Statement

First Love International Ministries is a non-denominational mission agency founded for the purpose of bringing the life-giving message of salvation through Jesus Christ to un-reached people residing in impoverished regions of the world.

Dear Friends,

This past fiscal year has been full of many blessings from God and we thank Him for what has been accomplished! Some of the highlights were:

- 2020 was a very challenging year with regards to Covid-19 as it caused the closure of almost all international travel to our areas of ministry.
- Despite what 2020 has thrown at us, God provided First Love with funds for our ministries above and beyond what we could have hoped for. All of our expenses were covered 100%, plus we were able to expand our outreaches far beyond the parameters of our existing ministries.
- A great highlight was seeing the wonderful way our 198 national staff members rose to the challenge of fulfilling their ministry objectives in our 13 countries of service despite the hardships of periodic lockdowns and stay at home orders

The following is an overview of First Love International Ministries' income and expenses for the fiscal year that ended June 30, 2020:
