Mission Statement

First Love International Ministries is a non-denominational mission agency founded for the purpose of bringing the life-giving message of salvation through Jesus Christ to un-reached people residing in impoverished regions of the world.

Dear Friends,

This past fiscal year has been full of many blessings from God and we thank Him for what has been accomplished! Some of the highlights were:

- **A great highlight in 2022 was the ability for the teachers at First Love's schools to resume face to face instruction with their students.**
- **Phase one of a new primary school called First Love Academy was constructed in Mtwapa, Kenya in 2022, and we received 73 pre-school aged boys and girls on April 28th. Our plan is to add one new each year until we reach grade six.**
- **The invasion of Russian troops into Ukraine on February 24, 2022 caused major trauma and turmoil for countless millions of innocent Ukrainians. Over \$250,000 was raised for Operation Hope Ukraine in 2 weeks from compassionate friends who assisted our on the ground staff team in showing forth the love of God in very practical ways. Rescue operations were set in place as men, women, boys, and girls were and continue to be assisted through transportation to safety and the provision of food, lodging, and medical help.**
- **Despite downturns in the stock markets and rapidly rising inflation in 2022, God provided First Love with funds for our ministries above and beyond what we could have hoped for. All of our expenses were covered 100%, plus we were able to expand our outreaches beyond our current levels.**

The following is an overview of First Love International Ministries' income and expenses for the fiscal year that ended June 30, 2022:
